Zane walked the halls of school the next day looking at every curly headed blonde that he saw there were way to many. He started thinking of all the girls that it could be if they matched they had to have a lot in commen but that ment she either answered all her quistens to get matched up with him witch would mean she was fake or she liked most of the same things he did and she was real he was hoping for the secound one but you never know. His thoughts were interupted when Nate walked up to him. "Hey man did you find out who your mystery girl is" asked nate "No, you" replied Zane "No. But she better be

hot" said nate "You never know man she might be supermodel material" said zane "Yea and she could be fugly" said nate Zane laughed at his friend he was still wondering who this girl is but he just figured later he woul talk to her and get more hints. with that last thought he started walking to his first class with nate neither one of them were paying attention when the bumped into Rikki, Emma, and Cleo at their lockers nate almost knocked cleo and emma to the grounde but they caught themselves and just dropped their stuff all over the floor. Zane knocked rikki off her feet causing her to fall on the floor with her stuff everywhere. "watch where your going" said zane rikki got up and glared at him "me watch where i am going you ran into me" said rikki angrily "no you ran into me" said zane "ok lets see if you can get this through your thick skull and into your pea sized brain it is not possible for someone who is standing still to run into another person. Did you get that or do i need to dumb it down some more" said rikki "watever losers" said zane scoffing and walking away zane didn't get far when he heard rikki mutter "stupid bastard" under her breath "i heard that" yelled zane "you were meant to" rikki yelled back Rikki had to walk the same direction to get to class so she waited till they turned the corner to head to her class. **LATER THAT DAY** Rikki was sitting in her english class bored out of her mind when her phone vibrated she slipped out of her pocket and under her desk so the teacher wouldnt notice. badboy16: hey what are you doing badgirl15: sitting in my english class bored out of my mind zane's eye's widened at her reply that meant she was in his class roght now he looked around at who was using their cell phones witch was everyone "what are you looking at" asked rikki annoyed "none of your buisness" replied zane turning back to his phone Badboy16: i want another hint zane looked around again but couldn't tell who it was badgirl15: well that sucks for you badboy16: now someone woke up on the wrong side of the bed this morning badgirl15: i did not fyi i was in a great mood this morning but then that stupid jerk had to piss me off badboy16: tell me who and i will go beat him up badgirl15: the one the only biggest jerk their is on the gold coast Zane Bennet Zane's eyes widened seeing his own name he had to know this girl if he pissed her off Badboy16: what did he do badgirl15: doesn't matter now back to what we were talking about no hint for you Zane thought about the day so far and what girls would be angry with his then looked around the room again. He admitted he was kind of an ass to alot of people badboy16: come on how about just the first letter of each others names rikki thought for a minute she did want to know what this guy looked like when she looked up she saw zane looking around the room again probaly scanning for his next victim she rolled her eyes and replied badgirl15: ok fine first letter only mine is R badboy16: mine is Z zane and rikki thought for a minute zane only knew a few girls who's name started with r but witch one's had blue eyes and curly blonde hair. Rikki was thinking of all the guys at school who's name started with Z with brown hair and eyes but came up with nothing with an unsatisfied huff she leant back in her chair and and received a strange look from zane. She gave him a what look and went back to her phone badgirl15: not fair still half our school give me another hint and i'll give you one zane smiled at this perfect he thought finaly he would know who it is badboy16: ok i am in english class to rikki was suprised there were only like 5 guys who fit the description badgirl15: tell me where you sit and i will tell you so it got rid of the mystery but she was dieing to meet the guy she has been talking to about everything sence yesturday and the dance was tomorrow plus even if they didn't like who they were they still had no choice but to go to the dance together badboy16: you promised badgirl15: promised badboy:ok do you know rikki chadwick

rikki confused at seeing her own name replied badgirl15: yes y zane looked around again stopping on rikki who was looking at her phone smiling expectantly then across the room to the other 2 girls who fit the describtion smiling at them he replied badboy16: i sit infront of her zane was expecting one of the two girls to look up at him he wasn't expecting rikki to scream and drop her phone as if it burned her. Everyone had turned to see what happened including zane she just looked at him with horror and disgust "what" asked zane zane thought for a minute what was wrong with her then remembering curly blonde hair blue eyes first letter r he hurridly picked up her phone only to see all the text he has been sending "seriously" said zane "oh come on" rikki said at the same time "what is wrong with you to" asked the teacher they both looked at each other then her phone and replied "nothing" rikki snatched her phone back and leant back in her chair zane waited for the teacher to turn towards the front before pulling out his phone Z: seriously how did we get paired together R: idk but i am going to kill emma for making me do this only to get stuck with you Z: hey i'm not that bad R: oh yeah cuz its every girls dream to get knocked on the floor then called a loser zane kinda felt bad but that didn't make him a bad guy did it Z: watever its not like we are actualy gointo to go together R: you idiout didn't you read the guidlines of the site Z: no i just press agree why R: we don't have a choice but to go together we were matched and we accepted the match Z: not that i don't love being called an idiot R: watever Z:but your not going to make me and i i'm not going to make you R: think again who made the sight and enforces the rules zane thought for a minute then it clicked Z:emma damn R: thats right the biggest control freak there is Z: lol thats so true R: i kno right rikki and zane were laughing when rikki suddenly stopped R: don't make me laugh Z:why not R: because i don't like you Z: you liked me fine before you knew who i was R: that was different Z:how R: that was before i knew you were a jerk Z: look i am sorry about this morning ok now can we just try to get along just for the dance then we can go back to not liking each other ok R: yea ok fine Z: alright i will pick you up tomorrow at 4 R: yea fine c u then Rikki texted her adress then the bell rang and she hurried out of the room "rikki there you are" said emma "hey guys" said rikki "hey what wrong" asked cleo "nothing i just can't wait till the dance tomorrow my mystery guy is picking me up at 4" lied rikki "mine to i hope its lewis" said cleo "i just hope he is cute now remember you to you can't back out omce you see them not for any reason got it" said emma "got it" said cleo and rikki rikki pulled out her phone and sent a quik text R: don't tell anyone we kno Z:got it R: c u tomorrow Z: c u then zane looked at his phone he didn't know how he didn't even think it could be rikki blonde blue eyed rikki maybe the dance wouldn't be so bad as long as she could not hate him for a night.
